Operation P.E.A.C.E. is a center that includes programs for school age children to assist with homework, computer use and training and mentoring. The program is not a day care program, and the program is not to be used as a substitute for child-care. Volunteers and staff are available to assist the children who reside on the property with educational assistance.

Operation P.E.A.C.E. encourages the participation of parents, even if only for a short time, to build the Center as a community of adults, seniors and children who use the learning center. We also encourage a free exchange of ideas, and especially request that you advise us of any concerns you or your child may have with the programs, employees or volunteers. Failure to comply with the Program Rules or the instructions of the programs' supervisors may result in temporary or permanent restrictions on using the center. We thank you in advance for your cooperation and assistance in making the programs a success!

Operation P.E.A.C.E. is a non-profit entity that provides the facilities and programs with minimal funding, and, in return, must require that no claims or suits be made by participants against the organization so it can use its scarce resources for its programs. We are hopeful that our communication policy and volunteer encouragement will avoid problems from arising into disputes. Consequently, we request that you sign the following waiver:

I _____ (print name), on behalf of myself and my child, waive, release, relinquish and agree not to assert any claims or file any legal actions against Operation P.E.A.C.E. Northeast, Inc., its employees, officers, directors, volunteers, Wingate Management Company, Inc. or the owner of the Center premises for bodily injury, property damage, and any other damages arising or related to the use of the Center, unless arising out of the gross negligence or willful misconduct of the above parties, and we understand that the program is a drop-in center and is not a substitute for child care.
