safety and community

*"There is no power for change greater
than a community discovering what it
cares about."*

- Margaret J. Wheatley

Peterborough After School...

Activity in our **Operation P.E.A.C.E. Youth Center's After School** program is fast and furious! Our group of 12 students (K2 - 5th) start gathering around 3:00pm and after a short break, get right down to business. Whether it is homework help, reading time, art projects, computer lab skills, or a trip to the playground, there is always something happening. Please contact Mallory Rohrig via email at mallory@operationpeaceboston.org or call 617-267-1054 for more information.

...And Summer Academy

We are pleased to announce the 2014 Peterborough **Summer Academy** theme, *"Discover Me!"* Students in K2-5th grade will spend the months of July and August learning about the human body, healthy nutrition, and physical fitness.

The summer program also includes two weekly field trips to places of interest around the Boston area. If you are interested in the Summer Academy, or any other of our Youth programs, please contact Mallory Rohrig by calling 617-267-1054 or via email (listed on page 2).

Peterborough Senior Center News...

The **Operation P.E.A.C.E. / Peterborough Senior Center** (located at 42 Peterborough Street, rear) is open, active and thriving! Having comfortably moved through a transition period last November, the center's programming continues to grow.

Building upon the center's regular activities such as exercise, coffee hour, book club, taxi coupons and blood pressure screening, we have added special programs

and speakers as much as possible. Recently we had visits from Councilor Zakim, Massachusetts Association for the Blind & Visually Impaired, United Healthcare and the Massachusetts Bar Association.

The center is open **Tuesday-Thursday, 9:30am - 2:30pm** and all are welcome. Call 617-536-7154 or check our website for the current calendar.

Dorchester news...

For the 2014 summer, **Operation P.E.A.C.E. Dorchester** will explore the local neighborhood based on this summer's theme "All About Me/All About Dorchester." Students will not only explore their own neighborhood but surrounding areas as well such as Roxbury, Jamaica Plain, Mattapan, etc.

Each week will feature a specific sub-topic of the theme such as Local Government, Public Safety, Public Works, Parks & Recreation, Local Business, Tourism, Archives and Records, and Youth Programs.

The children will gain deeper knowledge of these areas through community field trips as well as Social Studies lessons and craft

activities. Every Tuesday and Thursday, students will participate in community field trips beginning with a tour of the State House and ending with a trip to the New England Aquarium.

For more information, call Sarah Noreiga at 617-533-7940.

Kingston, too!

Twice a week, staff member Carlo visits **Silver Lake Elderly Housing in Kingston**, our South Shore tutoring center.

Through one-on-one computer instruction, Carlo helps residents with basic computer skills, email, and higher skilled programs like Facebook and DropBox.

Our Mission:

To enrich family and community life in the Boston area through educational programs, language courses, and technology resources.

~~~

We are grateful to our grant sponsors, the Continental Wingate Family of Companies, the Schuster family, and all who make our mission possible.
